Administrator's Report 02/23/2026

Parks Department reports that the new shed located at the Girls Softball Field is complete and now crews will be installing electric drops for lighting and the new air-conditioner that will help keep umpires cool during their breaks in the summertime.

The Water Department continues to focus on finding leaks and sources of water loss. After receiving the yearly water consumption numbers their efforts are obviously paying off. Yearly totals for water production show an improvement of over 100-million-gallon reduction in water loss from year 2024 to 2025. 2024 wells produced 610 million gallons of water and in 2025 with no reduction in usage we reduced the amount pumped to 483 million. This also has reduced our cost of purchased water through the Missouri American valve significantly.

Public works staff will be working with Department of Natural Resources staff this week to complete an audit on the city's Missouri Storm Water Permit (aka MS4). Our report was recently completed and submitted by our Storm Water management, and we will look for results in the coming weeks.

Paving needs analysis is still ongoing. Major streets included in the plan this year so far are Madison from Stadium Drive north to The Public Works facility. (where Jasper County Special takes over). In addition to additional residential streets, we plan to fix the subgrade and pave the Mining Days Parking lot and then also the small City owned lot on the south west corner of East and Daugherty Street. Once completed the list will be brought to council for consideration and approval.

After receiving recent complaints regarding the use of compression release engine brakes, what is commonly known as a jake brake on large trucks. **Staff have requested our city attorney to create a city ordinance that would ban the use of the device inside the city limits.**

The Webb City Police Department participated in the Annual Polar Bear Plunge last weekend to help raise funds for the Missouri Special Olympics. Our officers combined for \$940 raised for the event.

Wastewater crews report a main line blockage near the corner of Juanita and Aylor. The main that serves Mark Twain is nearly at no flow, and it will require some extensive work to be done to a resident's driveway to investigate. We suspect that the line was recently damaged but will not know for sure until we get down to it.

Previous Meetings

The Street Crews almost always get the worst task during weather such as this, but this time was different. Wastewater crews were notified of a main sewer line clog near the intersection of Cedar and Broadway on Friday just as the storm was starting to intensify. Our crew worked late into the night and returned the next morning. Temperatures were dropping to dangerous levels. Joplin also sent crews to try and help find the issue. They were able to clear the line enough to make it through the weekend and have now said that they were able to reach the clog on Thursday and get the flow returned to normal, but it will require digging up to solve the problem. That will be occurring in the next few days.

Fire Department has been out in the cold also. There have been three structure fires recently that of course occurred during the really cold times. 1/28/2026- 301 S Roane, cooking fire contained to the stove. 1/30/2026- 810 W Austin, total involvement, vacant house started in a fire place most likely from squatters 1/31/2026- 1023 Crow, electrical fire, sustained smoke and heat damage mostly to the attic

City staff have been working with our auditors who have been here on site all last week. The administrative review has been completed and there are no glaring issues, but we will be making some changes to the annual budget amendment at their suggestion. Overall, our financial position from year to year is relatively equal with a couple funds gaining and a few losing ground. The full audit report will be presented to council usually in April.

Along with preparing for possible weather, public works staff have been **doing some clearing of the ditch along 4th street near Newmans Auto**. With some recent construction along Main Street we have been working to help water out of the back Alley behind the wastewater building. This water was being slowed by what appears to be a bad storm drainpipe on Tom Street. Crews will be digging up and opening it up in the next few days.

Wastewater crews have located a rather difficult main that needs to be cleaned out. It is reported to be slowed by tree roots having entered the pipe and possibly worse. Wastewater crews will be working to determine what additional repairs are needed and try to clear the pipe located behind Reeves Tire on Madison.

State of the City was held last week, and it was well attended. I would like to thank the members of the council who were in attendance. It is always nice to see so much interest in what our staff has accomplished in the last year and what the future holds.

The Center Creek 201 Board, at last week's meeting, voted to make a State Revolving Fund Loan application this March for nearly \$6 million in funds to be used for wastewater plant improvements. This would fund additional pumping capabilities and enhance other portions of the plant such as the Ultraviolet light sanitation system and oxidation ditch improvements. These improvements were designated as highest priority within the recently completed 30-year future needs study. Staff will be formulating a ballot question to be presented to each municipal member for approval prior to hopefully making the next November election.

The sidewalk project on East Street is scheduled to be completed on January 30th. If weather becomes bad there will likely be a couple small pours still outstanding and the handrail will not be delivered for a couple more weeks. City staff will be diligently watching to ensure those items get completed as soon as weather permits.

Downtown Business Alliance to hold their Main Street event on Saturday June 27. City staff will provide the barricades which will be located on Main Street from 8am to 4:30pm. This event will be in conjunction with Zimmer Radio and serve as a fundraiser for Wings of Hope.

Public Works reports to be continuing to change out damaged meter boxes, along with swapping out 5/8 meters not working. They also have replaced the check valve at well 12. All wells are reported to be running good with no shut offs for low water. Crack sealing continues along with a final round for leaf pick up. The generator recently installed at Well 15 is up and running.

The Parks Department has announced a new 7-day schedule. Being able to open on the weekends has been a goal and with the recent hiring of a new Recreation Coordinator and some part-time staff we have been able to meet that need. For detailed information on gym use and any reservations one needs to go to their calendar www.webbcityrec.com/activitycalendar.aspx

Parks Department Staff have been working on making some changes to the yearly event schedule. We are planning to move the Cruisapalooza event more to the fall because the weather has been so warm and participation has fallen. The plan right now is to still have Fireworks in King Jack Park but only on the evening of the 4th of July. Cruisapalooza will not have a firework display at the end of the event. Staff are currently working on finding a fall date that would attract additional vendors, activities and car show participants.

The city has been notified that the application for tax credits made by the owners of Cardinal Towers has been approved in full. Staff have been in contact with the owners and have asked them to be kept informed of the progress as they move forward in this large rehab project. At some point in the near future, we anticipate receiving a Chapter 100 application that will be reviewed and council will be asked to approve.

February 17th, 2026

To: Webb City Mayor and City Council Members

Ref: Fire Department monthly report for January 2026.

The Webb City Fire Department responded to a total of 213 calls for service during the month. See attached sheet for breakdown information.

The Tahoe that was damaged has now been repaired and back in service, during the time it was being prepared the PD was able to supply us with a pool car.

We installed a new sign at the FD that matches the style that the Parks Department has installed. E have already received several compliments on the new sign.

The fire academy has started, and the recruits are doing good. They are currently learning the Haz-Mat portion of the training and soon will be moving into the fire portion. We are looking forward to utilizing the new training facility this year.

We had several fires during the cold snap of weather, 3 here in town in just 3 days. We were able to complete these fires with the help of other departments in the city and other area fire departments. We are grateful for all the assistance.

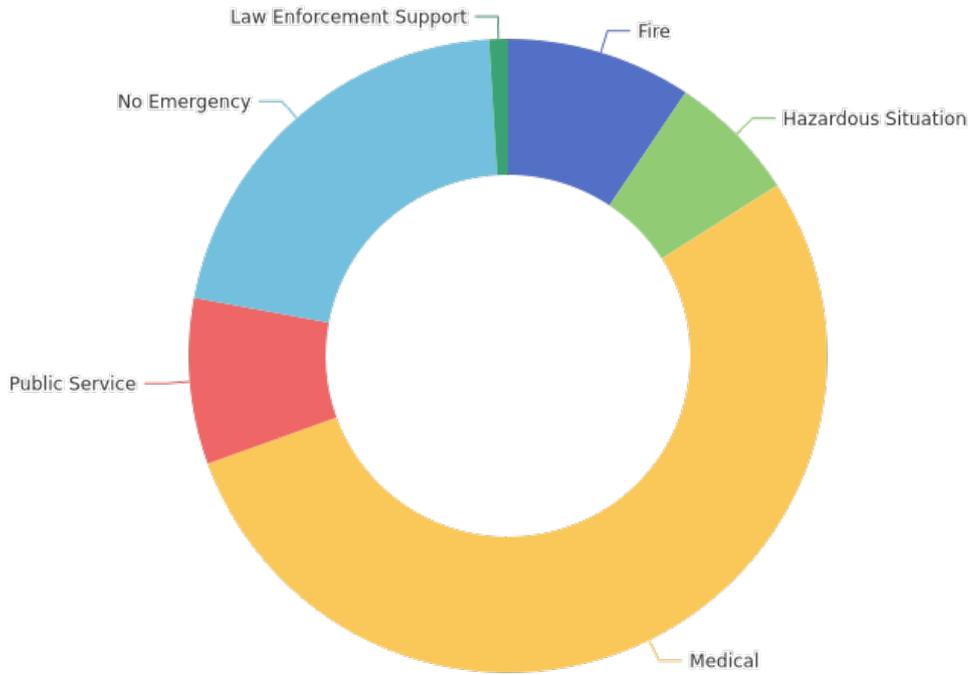

Deputy Chief Denton and I attended the Carthage Vo-Tech career day. This was a great opportunity to reach out to area students and talk about the academy and working for the City of Webb City. We have another career day for the Webb City Middle School coming up.

165 hours of department training and 6 hours of Public Relations have been conducted, and we continue to assist the other departments in the city as needed.

COUNCIL BILL NO. 26-002

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE ZONING MAP FOR THE CITY OF WEBB CITY, MISSOURI, BY RECLASSIFYING CERTAIN AREAS WITHIN THE CITY LIMITS FROM R-1 SINGLE FAMILY RESIDENTIAL DISTRICT TO R-3 MULTIPLE FAMILY RESIDENTIAL DISTRICT [BRIAN PHILLIBER, 17404 LOCUST RD., NEOSHO, MISSOURI 64850].

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEBB CITY, MISSOURI, AS FOLLOWS:

SECTION 1. Notice of public hearing having been properly published and recommendation for reclassification having been given after review by the Webb City Planning and Zoning Commission, the Zoning Map for City of Webb City, Missouri, is hereby amended by reclassifying the following described property from R-1 Single Family Residential District to R-3 Multiple Family Residential District, to-wit:

LOCATION OF SUBJECT PROPERTY: 201 East Aylor, Webb City, Missouri 64870.

LEGAL DESCRIPTION: A tract of land in the Northeast Quarter of Section 18, Township 28 North, Range 32 West, as shown in a deed in Book 1282 at Page 882 in the Jasper County Recorder's Office in Carthage, Missouri and being more particularly described as follows:

All of Lots 59 and 60 in Cook and Hattens Addition and all of Miscellaneous Lot 7 in said Section 18. Containing 0.80 acres, more or less, and subject to any easements, covenants, restrictions, or rights-of-way of record. Bearings based on the Missouri Coordinate System of 1983, West Zone.

SECTION 2. The City Clerk is hereby authorized and directed to enter such reclassification upon the zoning map of the City of Webb City, Missouri.

SECTION 3. This Ordinance shall be in full force and effect from and after its date of passage.

PASSED BY THE COUNCIL OF THE CITY OF WEBB CITY, MISSOURI,

this _____ day of _____, 2026.

Lynn Ragsdale, Mayor and Presiding Officer

Attest:

AN ORDINANCE amending Chapter 340 – Miscellaneous Driving Rules, by enacting Section 340.235 – Jake Braking Prohibited.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF WEBB CITY, MISSOURI, as follows:

WHEREAS, the City of Webb City, Missouri (the “City”) is a third class city and political subdivision of the State of Missouri, organized and validly existing under and by virtue of the Constitution and laws of the State of Missouri; and

WHEREAS, the City desires to amend Chapter 340 of the City Code to enact regulations prohibiting the use of Jake Braking Devices.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WEBB CITY, MISSOURI AS FOLLOWS:

SECTION 1: The City Council of Webb City, Missouri hereby amends Chapter 340 – Miscellaneous Driving Rules, by enacting Section 340.235 – Jake Braking Prohibited, which shall hereafter read as follows:

Section 340.235 – Jake Braking Prohibited.

(a) **Definitions.** The following words, terms, and phrases, when used in this Section, shall have the meaning ascribed to them in this subsection, except where the context clearly indicates a different meaning: Engine retarding brake means a "Dynamic Brake," "Jake Brake," "Jacobs Brake," "C-Brake," "Paccar Brake," transmission brake, or any other engine retarding brake system that alters the normal compression of the engine and subsequently releases that compression.

(b) **Prohibitions.** Engine compression braking devices on any commercial vehicle, as defined in Missouri Revised Statute RSMo Section 301.010, may only be used within the city limits of Webb City, Missouri if the truck is equipped with an adequate muffler (factory muffler or equivalent aftermarket muffler) which is properly maintained to prevent any excessive or unusual noise. If the truck's exhaust system is equipped with a muffler cut-off, bypass, or similar device, that device shall not be activated when the engine brake is being utilized. Unmuffled engine braking system shall only be utilized within the city limits by commercial motor vehicles in emergency situations to protect life or property. Engine braking systems on rescue vehicles, city and state vehicles are exempt from this ordinance if used in the performance of official duties.

(c) **Areas of prohibition.** The prohibition set forth herein shall apply to all of the public roads and highways in the City of Webb City.

(d) **Enforcement.** Any person who is convicted of a violation of this Section shall be fined up to five hundred dollars (\$500.00) and/or up to ninety (90) days in jail for each such violation.

SECTION 2: This Ordinance shall be in full force and effect from and after its passage and approval.

PASSED AND APPROVED BY THE COUNCIL OF THE CITY OF WEBB CITY, MISSOURI, this ____ day of _____, 2026.

Lynn Ragsdale, Mayor, and Presiding Officer

**LEST Grant Award
Acceptance &
Equipment Purchase
February 23, 2026**

SUBJECT:

Allow the police department to accept an award from the Jasper County Law Enforcement Sales Tax grant in the amount of \$42,541.08 for the purchase of equipment for the police department.

Allow the police department to purchase equipment detailed in the grant application using City purchasing policies and procedures.

BACKGROUND:

In December 2025, I applied for funding through the Jasper County Law Enforcement Sales Tax grant to purchase equipment to outfit the three new SUVs we ordered in November 2025.

In February 2026, we received confirmation that the Law Enforcement Sales Tax Grant Board had awarded the police department \$42,541.08 to purchase equipment for the new SUVs.

RECOMMENDATION:

Allow the police department to accept an award from the Jasper County Law Enforcement Sales Tax grant in the amount of \$42,541.08 to purchase equipment to outfit the three new SUVs we ordered in November 2025.

FISCAL IMPACT:

MINIMAL: Grant funding will reimburse the police department for most of the costs associated with the purchase of this equipment. The 2025-2026 budget included an estimate of \$30,000 for LEST Grant Revenue (00-00-34191).

Upon Council approval, I will seek bids for and purchase equipment detailed in the grant application using City purchasing policies and procedures.

Purchase
vehicle equipment
for Police Department
February 23, 2026

SUBJECT:

Allow the police department to purchase emergency equipment to outfit three of our new patrol SUVs using Law Enforcement Sales Tax (LEST) grant funding.

BACKGROUND:

In December 2025 I submitted a grant application to the LEST grant board for emergency equipment to outfit three of our new patrol SUVs.

In February 2026 we were awarded \$42,541.08 in grant funding to purchase emergency equipment to outfit three of our new patrol SUVs.

The emergency equipment includes emergency lights, surface and mirror mounted lights, prisoner partitions, push bumpers, siren & light controllers, siren speakers, center console, etc. along with installation costs for the listed equipment plus radios, radar units and audio/video recording systems.

RECOMMENDATION:

Allow the police department to purchase emergency equipment to outfit three of our new patrol SUVs from Omega Emergency Services using Law Enforcement Sales Tax grant funding. Omega will install the equipment in our vehicles.

We advertised for bid requests on the police department's social media page for one week. I also sought quotes from three emergency vehicle equipment vendors and the results are listed below.

<u>Vendor</u>	<u>per vehicle bid</u>	<u>total cost</u>
Omega (Tontitown, AR)	\$ 12,901.36	\$ 38,704.09
NRoute (Ozark, MO)	\$ 14,529.97	\$ 43,589.90
ESU Pursuits (Joplin, MO)	did not bid	

FISCAL IMPACT:

NONE: the LEST grant award covers all of the purchase of this equipment.

Street Department
Planned Overlay Project

February 16, 2026

Description

Public Works has worked with Blevins Asphalt who is the current holder of our contract for the purchase of asphalt. They have identified the listed 23 locations which we feel are of the most importance to start the FY25/26 overlay project costing \$696,391.45.

Staff Recommendation

Staff recommends council approves the listed paving at a total cost of \$696,391.45

Fiscal Impact:

The FY2025-2026 Budget has \$500,000 budgeted in account 01.31.49103 for Street Overlay and \$50,000 in account 04.42.49133 for the Mining Days Parking Lot. A budget revision may be needed.
