WEBB CITY AREA CHAMBER OF COMMERCE

Operations Report

April 2024 through October 2024

COMMUNITY: The Chamber has presided over 12 ribbon cuttings, 11 coffee's or afterhours. We have added 44 new members this year.

WEBB CITY CARES: Chamber staff is a member of the Webb City CARES Board of Directors, attending monthly meetings and helping with snack pack items.

TOURISM & VISITOR'S CENTER: Regular updating of information for the Missouri Division of Tourism for inclusion in their annual Vacation Guide and Website.

Since April we have had 500 plus visitors sign the guest book, International visitors from Hong Kong, Bulgaria, Spain, England, Portugal, Poland, and Ireland to name a few. We stamp the Route 66 Passports and or leave stickers at the door for when we are not here.

PAINT THE TOWN RED: Another successful Paint the Town Red, this event continues to grow and grow! Business decorating contest, parade, community bonfire. Thanks to sponsorship money we have free axe throwing, bounce houses, face painting, various yard games and 300 shirts that are shot into the crowd. We estimate around 4000 people that end up in the field for the fun!

ANNAUL CHAMBER BANQUET: We will be holding the Chamber Banquet on Oct 24th to recognize 5 Cardinal Teacher winners, 3 Business awards as well as a Champion Booster award and City Employee of the Year award. We will be holding this at Adaline Acres again this year.

As always, we appreciate your support!

Thank you,

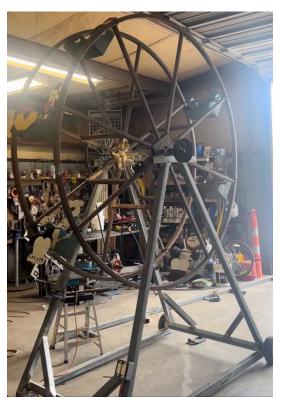

LeeAnn Crider

Administrator's Report 10/14/24

The Parks Department has been working on some new attractions for this year's Holiday displays. Our staff has really shown their talent in some of the new light displays. This should be an exciting year!

City staff have been holding budget meetings for the past couple weeks. We believe the budget is very close to being ready to present for council approval. All department heads cooperated this year and kept their requests to a manageable level that was much appreciated. We hope to present the budget for approval at Monday's meeting.

Webb City made their submission to DNR regarding our requested lead pipe survey. We are now working with DNR to bring that file into a format that will help with identifying all who failed to respond or those who will require mailings in the future. This lead pipe removal program looks to be a project that will be very involved over the past many years.

City staff will be participating in a SS4A webinar next week. This will be the start of the plan to acquire a "Safe Streets For All" action plan that has been already approved for funding through the Federal Highway Association. This study will assist the city in future requests for construction grants through the federal system.

Project Graduation has made the decision to no longer sponsor the Webb City Christmas Parade. All city departments got together this week along with Mayor Ragsdale and the decision was made to have city staff organize and sponsor the 2024 Webb City Christmas Parade. Staff will be placing advertisements and seeking entries along with organizing the new route which we feel will help with the lineup process. It will start at the north end of town and come south. If any council persons would like to volunteer to be a judge please let us know. Floats will be allowed to distribute candy this year but it will be restricted to hand to hand only. No tossing of the candy will be allowed. Entries will be advised they must have people walking on the outer edge of the roadway to hand out candy if they wish to do so.

Previous Meetings

Parks Department has had the trolley tracks inspected as part of our annual maintenance plan to stay on top of any future track issues. The Track Company has recommended several repairs that they feel need to be made and the Parks Department had budgeted up to \$15,000 for these repairs. Council will be asked to authorize the repairs at the next meeting.

Several city staff members have been very focused on finding the source of the strong odor that has plagued our city for the past few weeks. We feel we are getting closer to narrowing the source and have had strong discussions with the Department of Natural Resources. We will keep you informed of our progress and hope this is taken care of very soon.

The Public Works Department has requested quotes for the next round of paving we hope to see completed in October. Focus will be on fixing 1st Street once the water line is completed and the new parking lot at the recreation facility. We hope to have the water line project completed by the end of next week.

Several departments will be joining in the effort to haul large amounts of clay to Paradise Lake over the next couple weeks. We have contracted with Quarles construction for dozer time to move the clay out into the areas we feel are causing the most leaks in the lake.

The annual Webb City Police "Shop With a Cop" will be held at 7am on Saturday December 7th at the Webb City Walmart. Volunteers are always needed and are asked to arrive at 6:45am to be ready to shop with the kids.

The Webb City Downtown Merry Market will be held Saturday November 16th. It will be a Saturday only event and vip passes will be going on sale for \$50 soon.

The new "W Club" Recreation area is moving along well. The Fire Department has been helping with the compaction of the pad by spraying water down which will help as they start the concrete pour. We should start to see the structure going up in the next week.

The Police and Fire Departments will be hosting two local students from the Carthage Technical Center as part of the Public Safety Intern education program. They will be spending time at both departments getting a first-hand look at the role of Public Safety in the community.

The alley behind 208 N. Main has been closed to traffic recently due to the failing of the brick wall on the back of the building. Staff are now contemplating how best to handle the failing structure. Notice has been sent and no response has been received to date.

Staff met with members of the Farmers Market for our monthly meeting and it was agreed to install an ADA accessible doorway into the restroom at the Kitchen at the farmers Market. We have received bids and the total cost will be \$4,200 and that will be split between the City and the Farmers Market. Farmers Market staff will be doing some maintenance and painting along the fascia of the pavilions and Parks staff will be planning to bring the picnic tables in this winter for some rehab.

City staff are working with our VoIP phone provider to put together a **texting system for notifying late water payment accounts.** Currently we spend an enormous amount of time making courtesy calls each month. Our system has grown to the point where this is becoming too time consuming.

The filming of the documentary about the composting and waste water project is continuing. Crews have been given tours by Habitat and Plant staff for the last couple weeks. The grinding is continuing on the large amount of limbs as a result of the recent storms. We were forced to spend \$20,000 on a repair to the machine in order to keep it online. Recently the mulch that is being produced has been used in several of our parks thus reducing costs. Specifically it has been used to soften the playground surfaces and thus far has worked out really well.

The Caboose has been being reconstructed by the Webb City High School Vo-Tech Department. We were recently advised it is near completion and the Parks Department is now working to build a pad in front of the Depot and Farmers Market Kitchen for display. It is our hope this location will prevent some of the vandalism that was occurring back by the splash-Pad.
